JK – 18 CIRCULAR TO ALL THE MEMBERS OF THE PROVINCE 25.07.2013

My Dear Confreres

"Let us also go that we may die with him"

I greet you in the peace and joy of Christ.

The month of July is marked for the feast of India's Apostle St. Thomas, although not so popular as St. Peter and St. Paul. St. Thomas is known by millions by the popular nickname "Doubting Thomas". But Thomas stands out from other disciples for his courage and loyalty by one incident in the Gospels. When other disciples tried to stop Jesus from going to Bethany to raise Lazarus from the dead because of the impending danger from people who had tried to stone Jesus, Thomas said to them "Let us also go that we may die with him." Thomas was the one who asked the most important and famous question: "Lord, we do not know where you are going; how can we know the way?" Jesus said to him, "I am the way and the truth and the life, no one comes to the Father but by me." The very name of God was pronounced by Jesus **"I am he"** when the soldiers came seeking for him. Jesus claimed power and authority of God to be his own and he is the only way to heaven, the only way to the Father, the only path to salvation. Jesus used the definite article to give emphasis to himself as the only truth as the incarnate word of God is the source of truth. He also equated himself with the law and the prophets. He had been telling his disciples about his death and his coming back to life so as to be the source of life to all. Life had a reference to the deliverance he offered, from a life of bondage of sin and death to a life of freedom in eternity. So staking his claim as the very God of creation, Jesus is the only path to righteousness, the only true measure of righteousness and the source of both physical and spiritual life. As we begin the year with renewed enthusiasm and recharged energy, let us reaffirm our faith in the above teaching of Jesus. Let you and me have the courage for missionary enterprise like St. Thomas the Apostle who said "Let us also go that we may die with him."

First Delegation Superior for Mozambique: Fr. Petrus Kullu MSFS

I am happy to inform you that giving due respect to the consultation process, the Provincial Administration has decided to appoint Fr. Petrus Kullu MSFS as the first Delegation Superior of Mozambique Mission. Fr. Petrus Kullu was born on 01.01.1974 to Gabriel Kullu and Regina Soreng at Parma, Orissa. He has two brothers and two sisters. He completed his higher secondary education in 1993, pre-degree in 1997 and joined the Minor Seminary at Latapara. He made his First Profession in 1999, completed his philosophical studies in St. Charles Seminary, Nagpur and theological studies in St. Peter's Seminary, Bangalore. He made his perpetual profession on 30.05.2005 and was ordained priest on 18th January 2007. His first appointment was to the Mission of Mozambique joyfully serving the people of Mozambique with his cheerful smile, simple lifestyle, kind words, openness and great commitment to the MSFS

Mozambique mission. His gentle approach has won the hearts and confidence of confreres in Mozambique. We wish him all the best in the new office as Delegation Superior. Fr. Petrus will be installed in a simple function by the Provincial of Nagpur in August 2013. I express my heartfelt gratitude to Rev. Fr. Paul Gonsalves who was the Mozambique mission superior ever since Fr. Alex Tigga left for USA. Under his guidance and animation, Mozambique mission achieved much in different ways. We thank God for the gift of this person and his manifold talents which he always made use for the good of the Congregation.

School Results 2013

Our schools have done well in their annual performance. Please accept my hearty congratulations, to school principals, religious collaborators, staff and students. It is matter of great joy that St. Mary's School, Kinwat, sent their first batch of students for the SSC Board exam and secured cent percent result. I appreciate Fr. Marcus Ruptake and all other confreres who worked hard to get such good result for the school. Jalna School has done exceptionally well in percentage of highest scorer as well as in the over-all results. The school has come back to its former glory and name after various setbacks of court cases, exodus of students and teachers for greener pastures in the recent past. St. Mary's Jalna has outlived the test of time. My hearty congratulations to the present team of management and staff!

My Visitation to Mannarkad

16th and 17th July 2013 marked my visitation to Prakash Bhavan, Minor Seminary, Mannarkad. Fr. Joseph Pullopillil and Fr. Paul Varambinakam were at the railway station at 04.30 a.m. to pick me up. The day was dedicated to welcome the new-comers. I presided over the special liturgical celebration at 06.30 a.m. on 16th July in honour of the new-comers' day and my visitation. There are 32 students besides three Fathers and Bro Sijo Kurian who is on the staff teaching college students. There are 10 third years, 13 second years, and 9 new students for the year. Prakash Bhavan, Mannar,kad provides a natural ambiance filled with fresh air and lush green landscape with trees and, the monsoon has added greater purity to this environment. One feels God's abundant benevolence while living at Prakash Bhavan. There was a cultural program put up by the seniors in the evening. Our friends from the neighbourhood and members from other religious communities were invited for the cultural evening followed by the festal dinner. Fr.

Joseph Plathottam is effectively taking care of the agricultural works and the day-to-day running of the house besides managing the up-to-date accounting. In the changed situation in Kerala, it is imperative that we streamline the vocation promotion program with greater planning and involvement of more vocation promoters. The house needs immediate attention of maintenance. I thank the confreres at Prakash Bhavan for their valuable service to the Province through the ministry of formation.

Quartoseptcentennial Jubilee of the MSFS Congregation at Suvidya College

The grand finale of the 175th Year of the foundation of MSFS will be organised by the General Administration at Suvidya College, Bangalore on 23rd September 2013. The Guest of Honour is the Apostolic Nuncio of India. The Organization Committee has requested to send at least 20 priests to participate from our province. However, it may be difficult because of the Retreat at Igatpuri. Those who are able to make it kindly do so.

Meeting with Rev. Fr. Superior General

A meeting by Rev. Fr. Superior General with the Provincials of India was held at Bangalore on 14th June 2013 to review the directives and orientations of the General Chapter 2013 and to plan various orientation programs, animation update programs for the next six years and to discuss matters of importance. The meeting evaluated leadership ministry and common concerns. Rev. Fr. Abraham Vettuvelil reminded the Provincials that the focus for the next six years is religious life with Salesian Spirituality, as 'mystics of God's Love venturing into prophetic ministries.' This message will have to go down to the grass roots. He stressed on the need to have more and more animation programs especially for people holding key responsibilities and shoulder the ministry of leadership.

Some of the areas of immediate attention deliberated by the superior General

Fr. General brought to the attention of the Provincials, the six year plan for the General Administration, province forum meetings and animation programs, the organisation of delegation in GAH for the purpose of regulating our religious living as desired by the General Chapter, the future of Ranchi Medical College project with the recent development of the failure to acquire the land for the same, animating programme for local superiors by provincial administrations and general administration, preparation of a Bible Diary 2015 with the aim of disseminating Salesian Spirituality which will be an inter-provincial and congregational venture, essay writing competition for scholastics in honour of Jubilee Year, completion of Mission Vision Plan for each community by December 31, 2013, constitution of a congregational retreat team and as it was also proposed to work out the profile of an MSFS parish priest, school/college manager, principal, administrator formation house rector, school staff, procurator, directors of social apostolate and innovative ministries and local superiors. The meeting also discussed the possibility of starting a mission institute in India. Rev. Fr. Superior General welcomed suggestions from all of us for a location suitable and convenient for Mission Institute for animation programs, congregational meetings and which will be a permanent base for the secretariat in India. While emphasising on the ongoing formation of the confreres Fr. Superior General asked the provincials to give personal accompaniment to all members, especially for the young members who will sooner or later will lead communities. Speaking on the formation, he said that the need of the hour is role model in formation more than compliance formation. "Let our young generation be moved by our exemplary life" the Superior General exhorted.

FRANSALIANUM, PUNE

The Salesian Seminar for third year BTh MSFS scholastics of five Provinces in India was organized in IIS, Bengaluru, from 28th April to 2nd May2013 with the theme "The Concept of Faith in SFS". Besides, 17 MSFS scholastics, priests from Philippines, regents from OSFS, sisters from DSFS, SSS and SMMI, also participated in this seminar. The inaugural Mass was presided by Fr. Abraham Vettuvelil, the Superior General of MSFS Congregation and the inaugural address was given by Fr. Jose Kumblolical, Provincial of South-West India Province. The moderators of every session shared wonderful insights of St. Francis de Sales in a wonderful way throughout the seminar. Rev. Fr. Anthony Mookenthottam concluded the seminar with the Thanksgiving Mass.

Salesian Retreat

The Salesian Retreat led by Rev. Fr. Anthony Mookenthottam and his team, was well planned and located in the hills of Makkiyad, Wayanad, Kerala, for twenty-one days. The Sneha Jyothi Community, the place and its natural beauty, served retreat directors and retreatants as an excellent base for structuring inner silence all through the days. The retreat was in three phases. The first was conducted by Fr. Jeevan and Fr.Anand Prasad, the second was enlightened by Fr. Benny K. and Fr. Philip V, and the last was animated by Fr. Anthony Mookenthottam and Fr. Tito. They shared the experiences of their lives and contributed significantly on the spirituality of our Patron. They assisted us to prepare ourselves better for our perpetual profession with true understanding and

conviction. On behalf of retreatants a vote of thanks was given to the organizers and the community by Bro. Annianh of to Vizag Province.

We also visited the place of St. Alphonsa, Blessed Chavara and Blessed Kunjachan arranged by Fr. Daiy, former Rector of Fransalian Seminary. - Bro.**Henry Peter**
